FROM THE WILD WEST TO A GALAXY FAR, FAR AWAY

Let's go on a trip around two thrilling Lands, one forged from a legendary past, the other a tribute to a retro future.

FRONTIERLAND

If you've always wished you could travel back to the rootin' tootin' time of the Wild West, then you'll love Frontierland. This is a place where unsuspecting passengers hurtle through *Big Thunder Mountain* on board a runaway mine train, and a lonely bride haunts the hallways of *Phantom Manor*. Did you know, only at Disneyland® Paris are these two attractions mysteriously linked? Will you unearth the connection when you're here?

DISCOVERYLAND

Inspired by the imagination of Jules Verne, Discoveryland is a one-off wonder found nowhere else in the world. Legend has it a *Star Wars*™ presence is strong here. And this could well be true, as *Star Wars*™ *Hyperspace Mountain* and *Star Tours : l'Aventure Continue* send space travellers of all ages to a galaxy far, far away. And beyond that, this is also where budding Space Cadets can help Buzz defeat Emperor Zurg in the intergalactic laser-shooting gallery *Buzz Lightyear Laser Blast*.

FAIRY TALES AND... PIRATES!

And now we arrive at two Lands alive with classic Disney stories. Expect castles, crowns, flying elephants, buried treasure and cursed ruins.

FANTASYLAND

Just like magic, fairy tales come to life in Fantasyland. This Land holds a special place in our hearts, as it's where you'll find must-see tributes to two of Walt's very first Disney® Park creations – the iconic *"it's a small world"* and the wonderful *Mad Hatter's Tea Cups*. This is also a dream setting to share a special moment with Mickey and his closest friends, dress like a Disney Princess Character – and maybe even meet one, too!

ADVENTURELAND

Ahoy, kids (and adults!) who make-believe they're pirates and explorers – Adventureland is a dream come true for you. Here, you'll discover a rattling ride through ancient ruins on *Indiana Jones™ and the Temple of Peril*, safari shopping at *La Girafe Curieuse* and swashbuckling thrills on *Pirates of the Caribbean*, which, would you believe, was the inspiration for the blockbuster movie franchise, not the other way round!

“ THIS HAS BROUGHT TEARS TO MY EYES. I CAN’T WAIT TO LIVE THE EXPERIENCE WITH MY KIDS ❤. ”

MORE MAGIC BEHIND THE MAGIC

The façade of our new *Disney Glamour* store is from the mind of Mary Blair – she created the original version of *"it's a small world"* when the attraction was relocated from the New York World's Fair to Disneyland (Anaheim, California) in 1966. Mary was a highly influential artist in Disney's oeuvre, having contributed to the visuals of *Cinderella*, *Alice in Wonderland* and *Peter Pan*. But it was with *"it's a small world"* that her inimitable style was most faithfully reproduced.

An even more dazzling future awaits
