A WORLD OF MAGIC FOR 2025

It's always a good time to visit Disneyland® Paris. Yet, with new shows* and a recently, royally reimagined hotel, there are extra special reasons to come see us in 2025.

Alice & the Queen of Hearts: Back to Wonderland

The time has come to believe the impossible and dive down, down, down the rabbit hole like never before. Feed your curiosity with this electrifying show, only at Walt Disney Studios® Park. A captivating reimagining of the classic tale, this is your chance to see Wonderland through a whole new looking glass. A first-of-its-kind continuation of Alice's story, brought to life by gravity-defying acrobatics, a topsy-turvy pop and rock 'battle of the bands' and more. It's so immersive, so mesmerising, you'll need all the will in Wonderland to stay in your seat!

New nighttime spectacular!

When the sun sets, skip over to *Sleeping Beauty Castle* and prepare to

be enthralled by a spectacular journey through the many emotions that make Disney stories – classic and new – so magical! You sure won't want to miss this dazzling, never-before-seen display of fireworks, projections and drones coming exclusively to Disneyland Paris in early 2025.

The recently, royally reimagined five-star Disneyland® Hotel

This hotel is now an immersive experience like no other, where you can live the life of magical royalty by celebrating royal Disney stories – and writing your very own, too. With its own entrance to Disneyland® Park, it's our ultimate royal address in the ultimate location.

A WORLD WHERE EVERY DAY IS WONDERFUL

Disneyland® Paris has become the go-to destination for seasons, shows and parades. No matter the time of year you visit, there's always something exciting to experience.

DAZZLING AND DIVERSE SHOWS AND PARADE

Disney Stars on Parade

From friendship and magic to adventure and romance, every element of a Disney story glides past in this star-studded daytime parade.

TOGETHER: a Pixar Musical Adventure

Fans of incredible live entertainment can embark on a musical journey through the many wonderful worlds of Pixar in this original, immersive production that hits all the right notes.

The Lion King: Rhythms of the Pride Lands

'Be prepared' to roar along as Pride Rock legends perform iconic songs in this highly appraised stage show.

MAGICAL SEASONS YOU JUST HAVE TO SEE

Disney Halloween Festival

It's become a trick-or-treat tradition in October, where mischievous Disney Villains and Mickey and Friends conjure up a happy haunting of spellbinding décor and exclusive entertainment. Mwah-ha-ha-ha-ha!

Disney Enchanted Christmas

From November to early January, Disneyland® Park transforms into a twinkling winter wonderland and a sackful of seasonal specials brings friends and families together like nowhere else. It's the happiest of ho-ho-holidays.

DISNEY- LAND[®] PARK

ENTER A WORLD WHERE DREAMS COME TRUE

With the majestic *Sleeping Beauty Castle* at its heart, Disneyland[®] Park is the fantastical home to five incredible Lands. A world where dreams of princesses, pirates, explorers and space travellers come to life.

Buckle up, because we're about to whizz you around Discoveryland, Fantasyland, Frontierland, Adventureland and Main Street, U.S.A.[®], all with a sprinkling of Pixie Dust along the way.

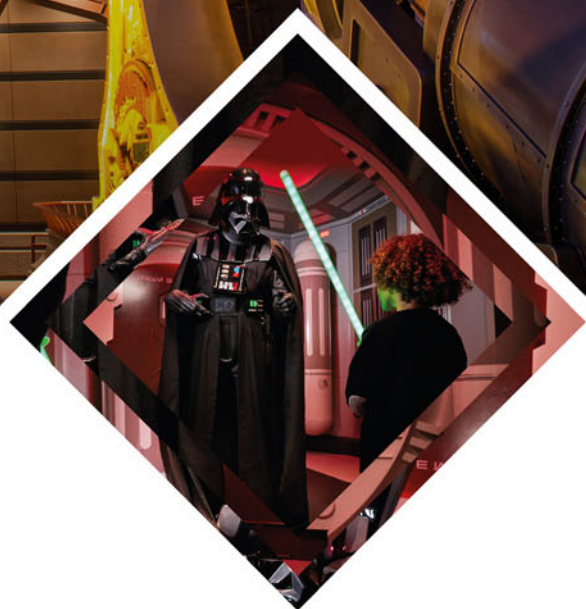

MORE MAGIC BEHIND THE MAGIC

Did you know, *Sleeping Beauty Castle* is steeped in French legend? Its shape is inspired by that of Mont-Saint-Michel and the illustrated castles of *Les Très Riches Heures du duc de Berry*. And the golden snails fleeing the kitchens – well, who doesn't like a little bit of fun?

Inspired by the imagination of Jules Verne, Discoveryland is a one-off wonder found nowhere else in the world. Legend has it a *Star Wars*™ presence is strong here. And this could well be true, as *Star Wars*™ *Hyperspace Mountain* and *Star Tours : l'Aventure Continue* send space travellers of all ages to a galaxy far, far away. And beyond that, this is also where budding Space Cadets can help Buzz Lightyear defeat Emperor Zurg in the intergalactic laser-shooting gallery *Buzz Lightyear Laser Blast*.

AN ADULT AND
FUN ATTRACTIONS,
SUCH AS BUZZ

YEEHAW!

If you've always wished you could time travel to the rootin' tootin' world of the Wild West, then you'll love Frontierland. This is a place where unsuspecting passengers hurtle through *Big Thunder Mountain* on board a runaway mine train, and a lonely bride haunts the hallways of *Phantom Manor*. Did you know, only at Disneyland® Paris are these two attractions mysteriously linked? Will you unearth the connection when you're here?

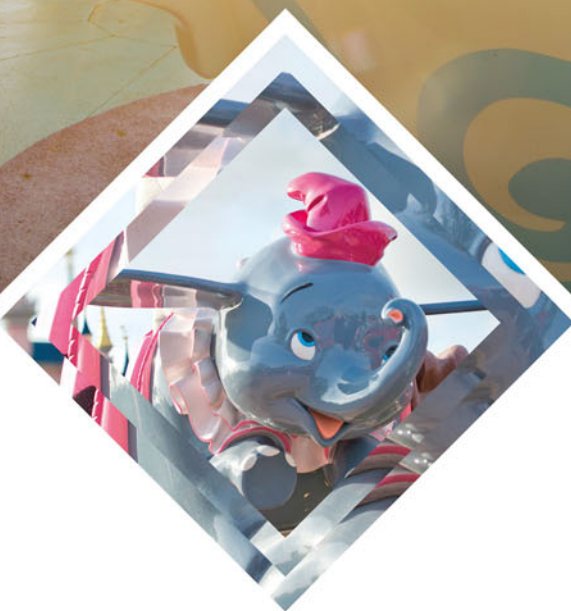

DREAM TEAM TIP FOR HUNGRY TRAVELLERS

Take off your spurs and tuck into an American/Tex-Mex menu or a delicious, taste-bud-tingling snack at *The Lucky Nugget Saloon*. It's a tasty trip to cowboy country!

TEA- RRIFIC!

Just like magic, fairy tales come to life in Fantasyland. This Land holds a special place in our hearts, as it's where you'll find must-see tributes to two of Walt's very first Disney® Park creations – the iconic *"it's a small world"* and the wonderful *Mad Hatter's Tea Cups*. This is also a dream setting to share a special moment with Mickey and his closest friends, dress like a Disney princess – and maybe even meet one, too!

Here, you'll discover a rattling ride through ancient ruins on *Indiana Jones™* and the *Temple of Peril* and swashbuckling thrills on *Pirates of the Caribbean*, which, would you believe, was the inspiration for the blockbuster movie franchise, not the other way round!

DREAM TEAM TIP FOR PRIDE ROCK SHOPPERS

La Girafe Curieuse is a boutique for fans of *The Lion King*. You'll find clothes, mugs, goodies and even cuddly toys of Timon and his friends. Once inside, look up and you'll discover where this store gets its special name.

Turn your mobile into a magic wand

Download the Disneyland® Paris Mobile App and you'll have a range of handy services at your fingertips, including restaurant reservations, Disney Hotel check-in and more!

Save time – check in with the App

You can complete your mobile check-in to your Disney Hotel from seven days before and up to the day before your arrival.

Everything is easier with your digital MagicPass⁽¹⁾ on the App

FUN BEYOND THE DISNEY® PARKS

What? You want to venture away from the Disney® Parks? Hey, that's okay, there's fun all around the Resort – and all of it within a short car, coach or train journey.

Our local recommendations include seeing the historic sights of Paris, enjoying a round of golf at Golf Paris Val d'Europe, shopping for famous designer brands in La Vallée Village and discovering an underwater world of wonder at Aquarium SEA LIFE Paris Val d'Europe.

LITTLE DREAM- ERS

You'll love seeing your little ones' faces light up when they see their beloved Disney stories come to life on gentle attractions and during interactive shows. Just wait until you watch them smiling when encountering Disney Characters for the first time. Now that's real magic!

To help you make every moment with your littlest treasures as magical as can be, we asked the Dream Team for their top tips. They know everything worth knowing about the magic!

MAGICAL TRIP WITH

THE DREAM TEAM'S TOP TIPS

Here, parents from the Dream Team share what they are most looking forward to doing with their kids at Disneyland® Paris this year.

Seeing the spectacular shows and parades

My favourite moment is when the magic enchants us during the shows and parades. And the most beautiful moment of all – that's when I see my daughter's face light up with happiness.

Riding our favourite attractions

Buzz Lightyear Laser Blast is a must for young children. Mine wouldn't miss it for the world. Top tip – don't miss Zurg, he could get you a lot of points.

Meeting Disney Characters

My daughter once hugged Minnie and kissed her nose. And when she met Tigger, aww, that was so adorable.

Teaming up with Super Heroes

Shows, attractions, Super Hero Encounters, restaurants and W.E.B. tech. Marvel Avengers Campus has it all. It's super fun to help Spider-Man catch the Spider-Bots. Especially with my little sidekicks with me.

THE SECRET TO A MAGICAL TIME

We recommend you make the most of the excellent kids' services available across the Resort. Here are the ones all parents should take advantage of.

Baby Care Centers

These are ideal areas for parents. Here, you'll find everything you need for your baby, from changing facilities to a peaceful place to feed.

Stroller rental in the Disney® Parks

Super handy for when little legs get tired from walking around the Disney Parks... we use a stroller each time we visit.

Kids' menus in all restaurants for ages 3-11

Children's menus are perfectly adapted to their tastes... there's something for everyone. My children also love the all-you-can-eat buffets, where they can help themselves like grown-ups. Special mention goes to Marvel Pym Kitchen, which offers a buffet at children's height! The best. 👍

Rider Switch

A gamechanger for those Guests visiting the Disney Parks with little ones! One adult can wait with the kids while a second adult queues for an attraction with any other members of their party. When exiting the attraction, ask a Cast Member for a Rider Switch.

DREAM TEAM TIP FOR STAYS WITH BABIES

Disneyland Paris has put in place a multitude of services to make your stay with baby as magical and practical as possible. Whether in the hotels – with cots, baths, potties, bottle warmers, etc... – or in the Disney Parks and kids' corners, you'll find everything you need for a stress-free, baby-friendly stay.
