FROM THE WILD WEST TO A GALAXY FAR, FAR AWAY

Let's go on a trip around two thrilling Lands, one forged from a legendary past, the other a tribute to a retro future.

FRONTIERLAND

If you've always wished you could travel back to the rootin' tootin' time of the Wild West, then you'll love Frontierland. This is a place where unsuspecting passengers hurtle through *Big Thunder Mountain* on board a runaway mine train, and a lonely bride haunts the hallways of *Phantom Manor*. Did you know, only at Disneyland® Paris are these two attractions mysteriously linked? Will you unearth the connection when you're here?

DISCOVERYLAND

Inspired by the imagination of Jules Verne, Discoveryland is a one-off wonder found nowhere else in the world. Legend has it a *Star Wars*™ presence is strong here. And this could well be true, as *Star Wars*™ *Hyperspace Mountain* and *Star Tours : l'Aventure Continue* send space travellers of all ages to a galaxy far, far away. And beyond that, this is also where budding Space Cadets can help Buzz defeat Emperor Zurg in the intergalactic laser-shooting gallery *Buzz Lightyear Laser Blast*.

FAIRY TALES AND... PIRATES!

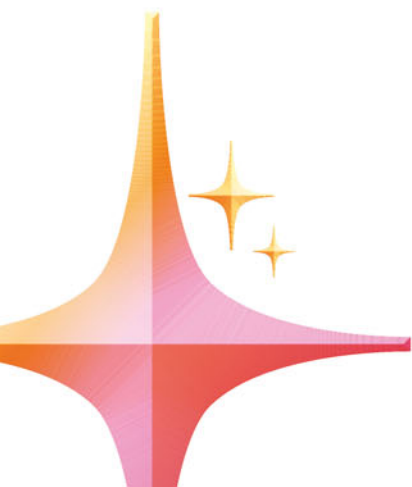

And now we arrive at two Lands alive with classic Disney stories. Expect castles, crowns, flying elephants, buried treasure and cursed ruins.

FANTASYLAND

Just like magic, fairy tales come to life in Fantasyland. This Land holds a special place in our hearts, as it's where you'll find must-see tributes to two of Walt's very first Disney® Park creations – the iconic “it's a small world” and the wonderful *Mad Hatter's Tea Cups*. This is also a dream setting to share a special moment with Mickey and his closest friends, dress like a Disney Princess Character – and maybe even meet one, too!

ADVENTURELAND

Ahoy, kids (and adults!) who make-believe they're pirates and explorers – Adventureland is a dream come true for you. Here, you'll discover a rattling ride through ancient ruins on *Indiana Jones™* and the *Temple of Peril*, safari shopping at *La Girafe Curieuse* and swashbuckling thrills on *Pirates of the Caribbean*, which, would you believe, was the inspiration for the blockbuster movie franchise, not the other way round!

MORE MAGIC BEHIND THE MAGIC

The façade of our new *Disney Glamour* store is from the mind of Mary Blair – she created the original version of “it's a small world” when the attraction was relocated from the New York World's Fair to Disneyland (Anaheim, California) in 1966. Mary was a highly influential artist in Disney's oeuvre, having contributed to the visuals of *Cinderella*, *Alice in Wonderland* and *Peter Pan*. But it was with “it's a small world” that her inimitable style was most faithfully reproduced.

An even more dazzling future awaits

Some restaurants, shops and experiences may be closed to make room for some new and exciting concepts. Certain establishments are provided by third-party operators. To help you make every moment with your littlest treasures as magical as can be, we're sharing our top tips and must-dos for families with kids.

Experience our spectacular shows and parades together

Singing, dancing, oohing and aahing along to our shows and parades with your kids is something you and they will never, ever forget.

Enjoy Character Encounters

Nothing tops seeing your little stars meet their biggest idols. And wherever you go in the Disney® Parks and Disney® Hotels, there's always a chance this will happen. So keep an eye out!

Share thrilling family moments

There are so many exciting attractions you and your kids can enjoy together, from singing along on the iconic "it's a small world" to cruising a legendary highway aboard *Cars ROAD TRIP* and, from 2026, embarking on a heartwarming musical tour in *Frozen Ever After*.

Baby Care Centers in the Disney Parks

Here, you'll find everything you need for your baby, from changing facilities to a peaceful place to feed.

Stroller rental in the Disney Parks

Super handy for when little legs get tired from walking around the Disney Parks.

Kids' menus in all restaurants (for ages 3-11)

We have menus perfectly designed for kids' tastes. They love the all-you-can-eat buffets, where they can help themselves like grown-ups. *Marvel Pym Kitchen* even has a buffet at kid height!

Rider Switch

A gamechanger! One adult can wait with the kids while a second adult queues for an attraction with any other members of their party. When exiting the attraction, simply ask a Cast Member for a *Rider Switch*.

Stays with babies

Disneyland® Paris has a multitude of services to make your stay with baby as magical and practical as possible. Whether in the hotels – with cots, baths, potties, bottle warmers, etc. – or in the Disney Parks and kids' corners.
