FROM THE WILD WEST TO A GALAXY FAR, FAR AWAY

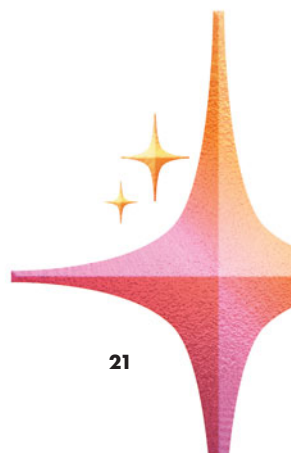

Let's go on a trip around two thrilling lands, one forged from a legendary past, the other a tribute to a retro future.

FRONTIERLAND

If you've always wished you could travel back to the rootin' tootin' time of the Wild West, then you'll love Frontierland. This is a place where unsuspecting passengers hurtle through *Big Thunder Mountain* on board a runaway mine train, and a lonely bride haunts the hallways of *Phantom Manor*. Did you know, only at Disneyland® Paris are these two attractions mysteriously linked? Will you unearth the connection when you're here?

DISCOVERYLAND

Inspired by the imagination of Jules Verne, Discoveryland is a one-off wonder found nowhere else in the world. Legend has it a *Star Wars*™ presence is strong here. And this could well be true, as *Star Wars*™ *Hyperspace Mountain* and *Star Tours : l'Aventure Continue* send space travellers of all ages to a galaxy far, far away. And beyond that, this is also where budding Space Cadets can help Buzz defeat Emperor Zurg in the intergalactic laser-shooting gallery *Buzz Lightyear Laser Blast*.

FAIRY TALES AND... PIRATES!

And now we arrive at two lands alive with classic Disney stories. Expect castles, crowns, flying elephants, buried treasure and cursed ruins.

FANTASYLAND

Just like magic, fairy tales come to life in Fantasyland. This land holds a special place in our hearts, as it's where you'll find must-see tributes to two of Walt's very first Disney® Park creations – the iconic “it's a small world” and the wonderful *Mad Hatter's Tea Cups*. This is also a dream setting to share a special moment with Mickey and his closest friends, dress like a Disney Princess Character – and maybe even meet one, too!

ADVENTURELAND

Ahoy, kids (and adults!) who make-believe they're pirates and explorers – Adventureland is a dream come true for you. Here, you'll discover a rattling ride through ancient ruins on *Indiana Jones™* and the *Temple of Peril*, safari shopping at *La Girafe Curieuse* and swashbuckling thrills on *Pirates of the Caribbean*, which, would you believe, was the inspiration for the blockbuster movie franchise, not the other way round!

“THIS HAS
BROUGHT TEARS

EXPERIENCE WITH
MY KIDS 💙.”

DISNEY VILLAGE®

MORE DAZZLING THAN EVER BEFORE

Disney Village® is being reimagined. Pop by today and you'll discover bars, restaurants and shops, making it the perfect place to get together for live music and sport, a bite to eat and some stylishly enchanting retail therapy.

Even though it's just a few steps from the Disney® Parks, Disney Village is open to all – feel the buzz without a ticket.

MORE MAGIC BEHIND THE MAGIC

The façade of our *Disney Glamour* store is from the mind of legendary designer Mary Blair – her charming style and use of colour greatly shaped the original version of the attraction “it's a small world” which was presented at the New York World's Fair before being moved to Disneyland® (Anaheim, California) in 1966. Mary was a highly influential artist in Disney's oeuvre, having contributed to the visuals of *Cinderella*, *Alice in Wonderland* and *Peter Pan*. But it was with “it's a small world” that her inimitable style was most faithfully reproduced.

The reimagining continues...

Some restaurants, shops and experiences may be closed to make room for new and exciting concepts. Certain establishments are provided by third-party operators. EASY FOR FAMILIES

You'll love seeing your little ones' faces light up when they see their beloved Disney stories come to life on gentle attractions and during interactive shows. Just wait until you watch them smiling when encountering characters for the first time. Now that's real magic!

This chapter outlines the services – from delicious menus to dedicated family facilities – that help you make every moment with your littlest treasures as magical as can be.

DEDICATED SERVICES FOR FAMILIES

Baby Care Centers in the Disney® Parks

Here, you'll find everything you need for your baby, from changing facilities to a peaceful place to feed.

Stroller rental and baby products

At the entrances to both Disney Parks, you can rent strollers and buy baby food pots, nappies, sun cream and other essentials.

Baby changing facilities

Wherever you are across the Resort, you're never far from baby changing facilities, available in most male and female toilets.

Playgrounds for kids

There are multiple playgrounds to explore across the Resort, including two in Disneyland® Park.

Disney® Hotel services

You'll have baby cots, baby bathtubs, potties and bottle warmers in your room. Each Disney Hotel has dedicated kids' corners and/or play areas where they can play games, get creative or watch beloved Disney shows. Most Disney Hotels also have a kids' pool!

MEALTIMES MADE EASIER

You'll find menus tailored for kids (ages 3-11), microwaves, baby food and high chairs in all restaurants.

MAKE THE MOST OF EVERY MINUTE

Enjoy easier access to attractions and shows

Since kids are eager to jump right in, we recommend you make the most of services like *Disney Premier Access* for attractions and *Guaranteed Access* and *Reserved Viewing Areas* for shows. For Character Encounters, the Virtual Queues are a dream come true!

Parents needn't miss out on the fun

The *Rider Switch* service allows parents to take turns enjoying attractions without waiting in line twice. While one adult stays with the children, the other queues for the attraction. After the first adult rides, they switch places so the second adult can ride without queuing again.

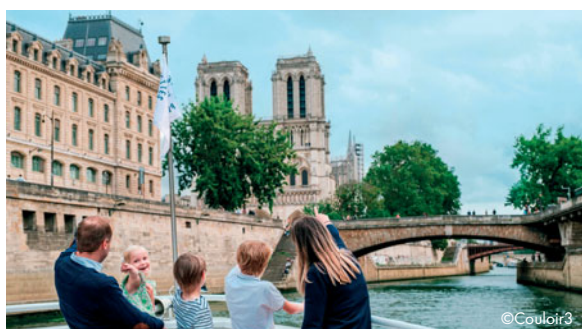

FUN BEYOND THE DISNEY® PARKS

What? You want to venture away from the Disney® Parks? Hey, that's okay, there's fun all around the Resort.

Enjoy a spot of golf, shop for famous designer brands and discover an underwater world of wonder – all just a short car, coach or train journey away.

And as you're so close to Paris, why not take this opportunity to see its famous sights with an excursion from the Resort?

Aquarium SEA LIFE Paris Val d'Europe

Dive into a fun and educational adventure the whole family will love! Come face to fin with over 2,300 marine creatures across nine themed zones, from the Amazon to Antarctica – including Asia and the French coastlines.

Meet sharks, green sea turtles, seahorses, clownfish, and exclusively in Île-de-France, a colony of gentoo and king penguins. Along the way, you'll learn about the importance of ocean conservation while gazing wide-eyed at the beauty and diversity of life beneath the waves.

La Vallée Village

Snap up unmissable savings on 120 prestigious French and international brands, all in one unique open-air shopping destination. Just five minutes from your hotel, you'll find something for every style – from casual-chic to timeless, elegant looks, cutting-edge luxury brands, high-end ready-to-wear pieces, on-trend accessories and children's fashion. Simply ask your hotel Concierge for a shuttle.

Round off your Disney stay with a Parisian getaway

As you're so close to Paris, it's easy to see it in all its glory with an excursion from selected hotels. Take a comfy bus ride into the city centre, with a drop-off near the Eiffel Tower, then explore Paris's most iconic sights at your own pace. You'll have plenty of time to wander before your bus takes you back to your hotel. For more details, simply ask your hotel Concierge.

Golf Paris Val d'Europe

Pitch up at this world-class 27-hole course that's great for all levels. It's nice to watch the action over lunch at its cosy restaurant, *Le Convivial*.
