## EVACUATION

**1** Easy evacuation conditions: short distance to cover, few steps, in open, well-lit areas. The attraction's evacuation exit is the standard exit.

**2** Evacuation conditions include several dark, narrow passages and flights of stairs to reach the attraction entrance. You are able to disembark from the vehicle throughout the attraction journey.

**3** Evacuation conditions may be complicated: several dark, narrow passages, multiple flights of stairs to reach the attraction entrance. Disembarking from the vehicle can involve a ladder, boat or platform.

To find out the detailed evacuation procedures for each attraction, please consult the Accessibility Guides or speak with a Cast Member to assess the easiest and safest way to be evacuated.

**CAUTION! PHYSICAL RESTRICTIONS.**  
For your safety, you should be in good health and free from high blood pressure, heart, back or neck problems, motion sickness, or other conditions or disabilities that could be aggravated by this adventure. Expectant mothers should not ride.

N.B. Seat configuration and attraction safety systems may prevent guests of certain body shapes or sizes from participating. Guests must have sufficient upper body strength to hold themselves in the appropriate position in all attraction vehicles. Please note that most attractions, shows and events are not recommended for children under 1 year old. The use of lighting effects such as flashing and strobe lights may cause issues for photosensitive people. Please follow the instructions of Disneyland® Paris employees and obey the Internal Park Rules and Regulations. Before your visit, we encourage you to review these rules on our website at the following address: <https://www.disneylandparis.com/en-gb/legal/theme-parks-rules/>. These rules are also posted at the entrance to Disney Parks. You must wear appropriate clothing. For all additional information, please refer to Disney Parks' Internal Park Rules and Regulations.
